

**Sale Name:** Fine Art, Antiques, & Home Furnishings - Online Auction Evansville, IN  
**LOT 215 - Handmade Pottery Bowl with Coiled Serpent Motif**

### Description

A captivating hand-crafted earthenware bowl featuring a sculptural coiled snake motif, its body wrapped protectively around the vessel's opening. The surface is finished in a warm tan clay body with all-over black dot decoration, and expressive raised eyes add a touch of whimsy to the serpent's head. This piece blends folk art charm with functional form, likely made in a Latin American or tribal-influenced tradition.

Measures approximately 4.75" in diameter and 3.5" high.
